HIDDEN HEROES

The noble Autobots have vowed to stop the evil Decepticons! Hidden in the word-find are the names of some of the Autobots who will help in the fight. To find the names BUMBLEBEE, GEARS, RATCHET, HOUND, JETFIRE, JAZZ, WHIRL, PERCEPTOR, COSMOS, GRAPPLE, INFERNO and AUTOBOTS look up, down, across, backwards, diagonally and backwards diagonally. We've circled one to show you how.

MIRAGE'S CODED MESSAGE

Mirage is sending a signal to his Earth friends. But because he doesn't want the Decepticons to understand it, he wrote it in code. To decipher the code, subtract 3 from each number you see, then turn the answer you get into its letter counterpart (A = 1, B = 2, C = 3, etc.). Then write your answer in the blank space below.

PERCEPTOR'S CODE

Perceptor has a secret message to bring back to headquarters. The Decepticons can't break it, but you can. Here's how. Each letter is represented by a number and a symbol. In code, the letter R would be written 4#, J would be 2!. Just follow across to where the number column intersects the symbol column. Write the correct letter under its code in the spaces below.

BUMBLEBEE'S DAYDREAM

Bumblebee is dreaming of a place he loves. Where is it? Use the clues to fill in the puzzle blanks. Then read the letters in the heavily outlined center boxes going down. They will give you the answer.

1. Green Autobot spaceship.
2. Blue Decepticon who turns into a cassette. He disarms his enemies with terrible, high-frequency sound.
3. Autobot who turns into a tape player.
4. Red and blue Decepticon jet whose engines are so loud that they cause his enemies to panic.
5. Red and black Decepticon jet.
6. Green Autobot towtruck.
7. Chief medical officer of the Autobots. He transforms into an ambulance.
8. Autobot army jeep.
9. Autobot fire truck.

WINDCHARGER'S CAR CLUES

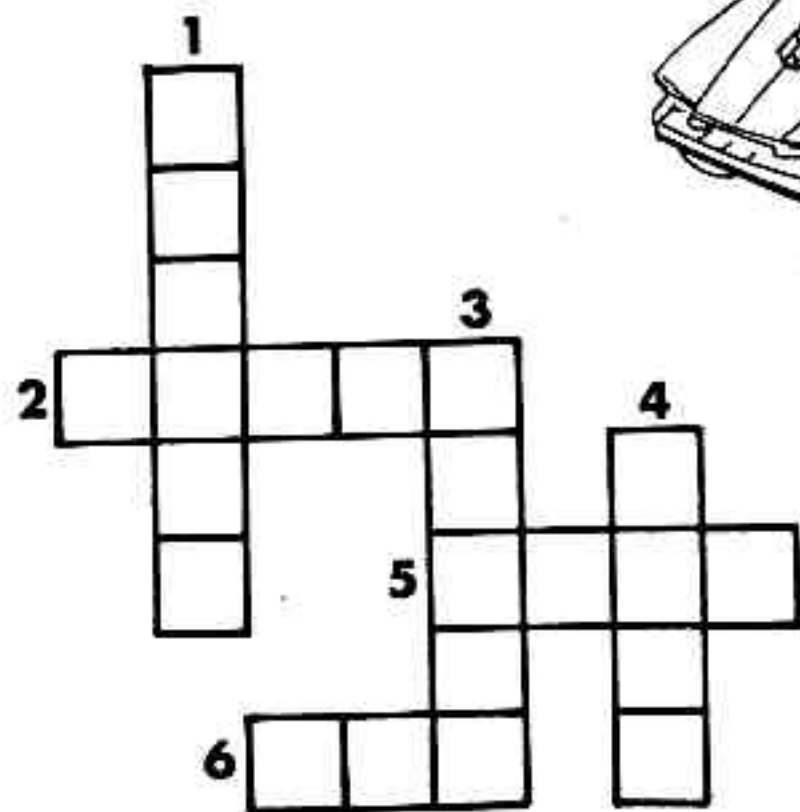

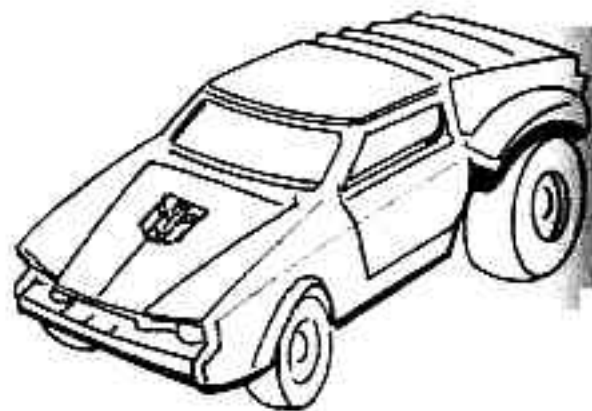

Windcharger likes to drive on the highways as a car.
All the clues in this puzzle have to do with cars.

ACROSS

2. Cars need this at night so the driver can see.
5. Cars travel on this.
6. Engines use this.

DOWN

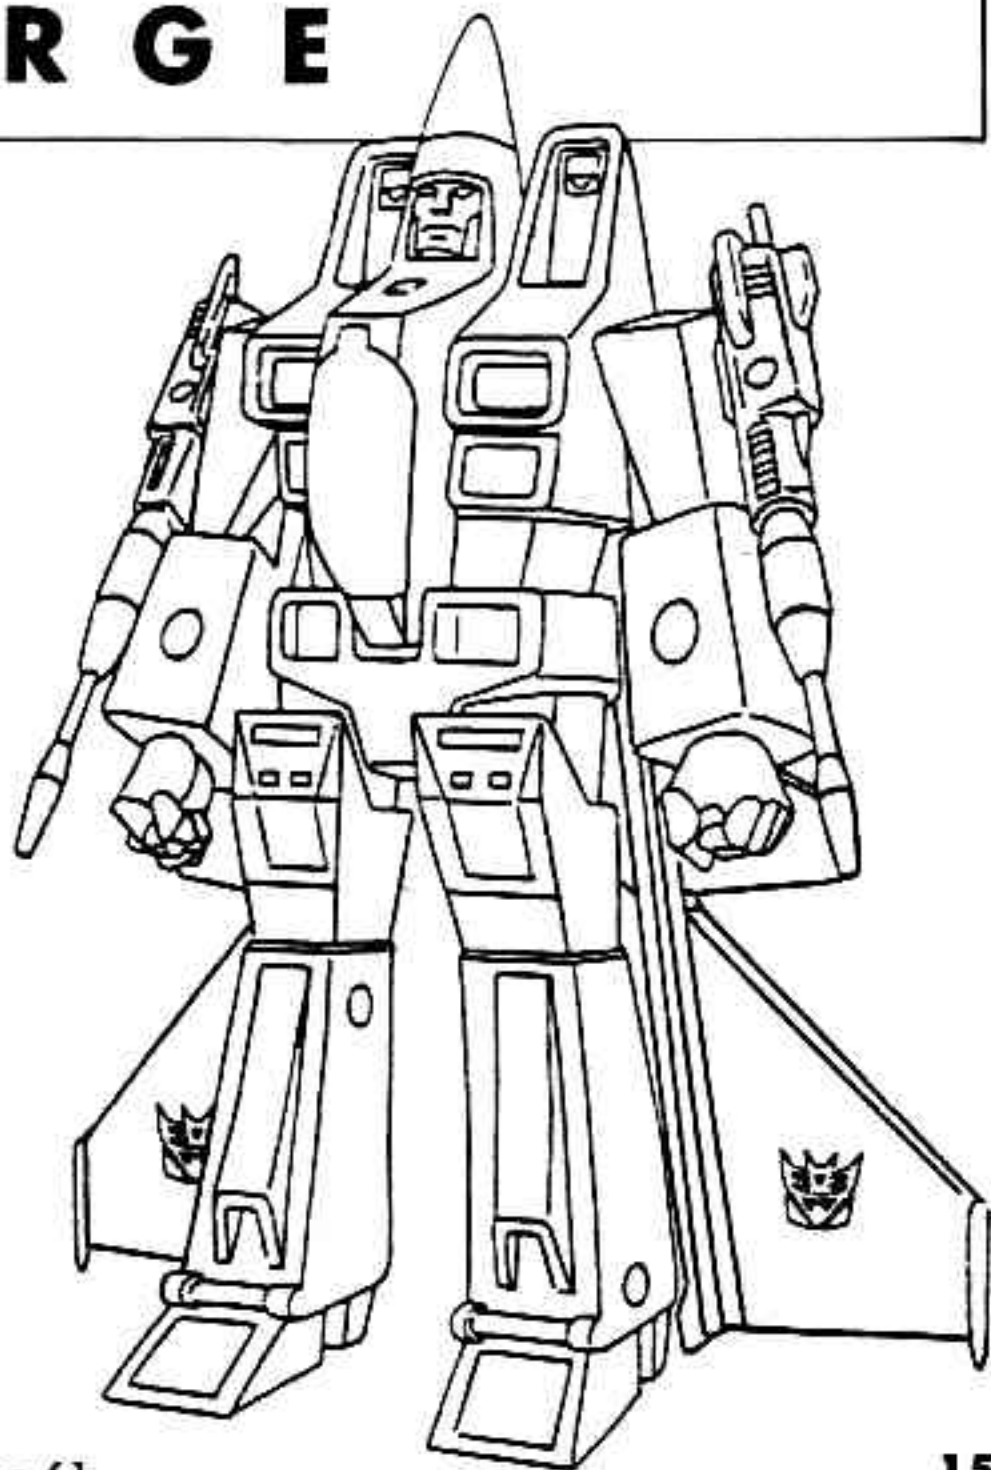

1. The heart of a car—the part that makes it go.
3. Cars have these on their wheels.
4. The opposite of slow.

DIRGE WORD DISCOVERY

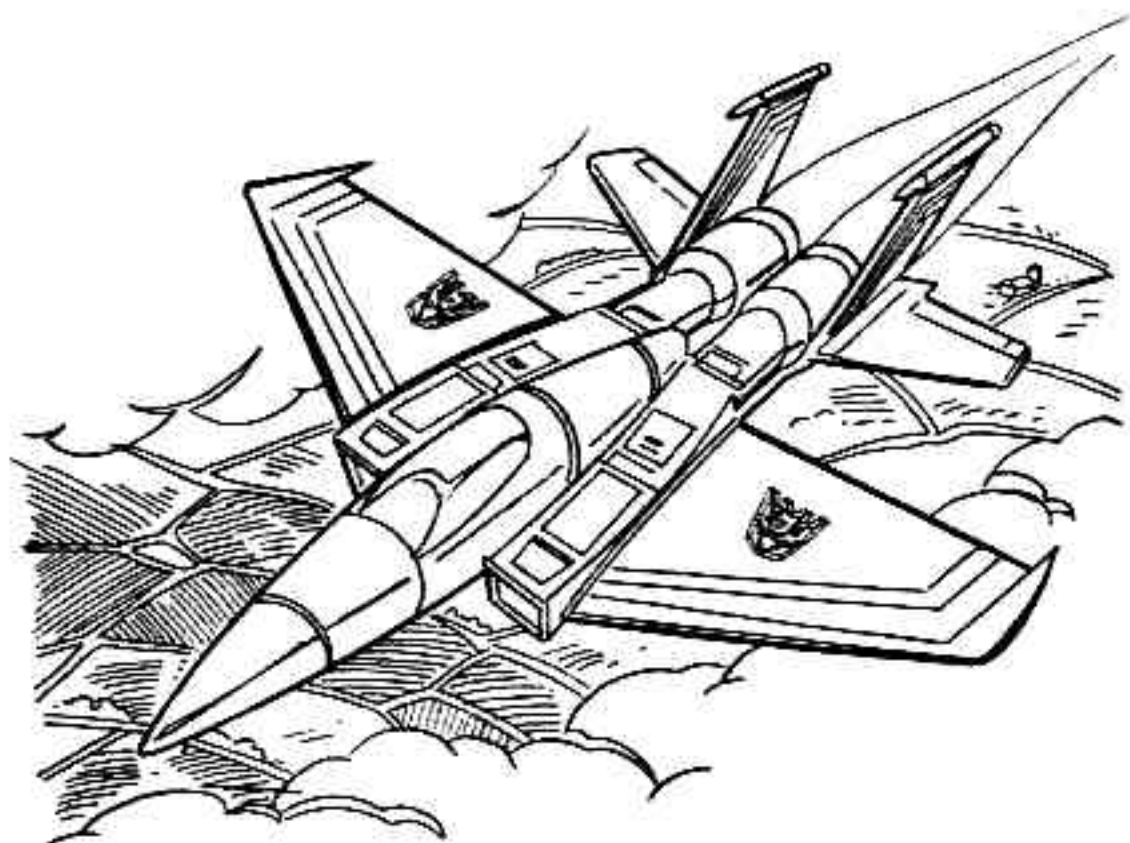

Dirge can do more than transform into a fighter plane. His name can transform into many words, as well! See how many words you can make out of the letters in his name. You don't have to use all the letters and you can put them in any order. A great score is ten words!

OPTIMUS PRIME'S WORD WHEEL

Optimus Prime has a message for all the Autobots. Starting with number 1, go around the circle twice and write every other letter down in the spaces. The first two have been done for you.

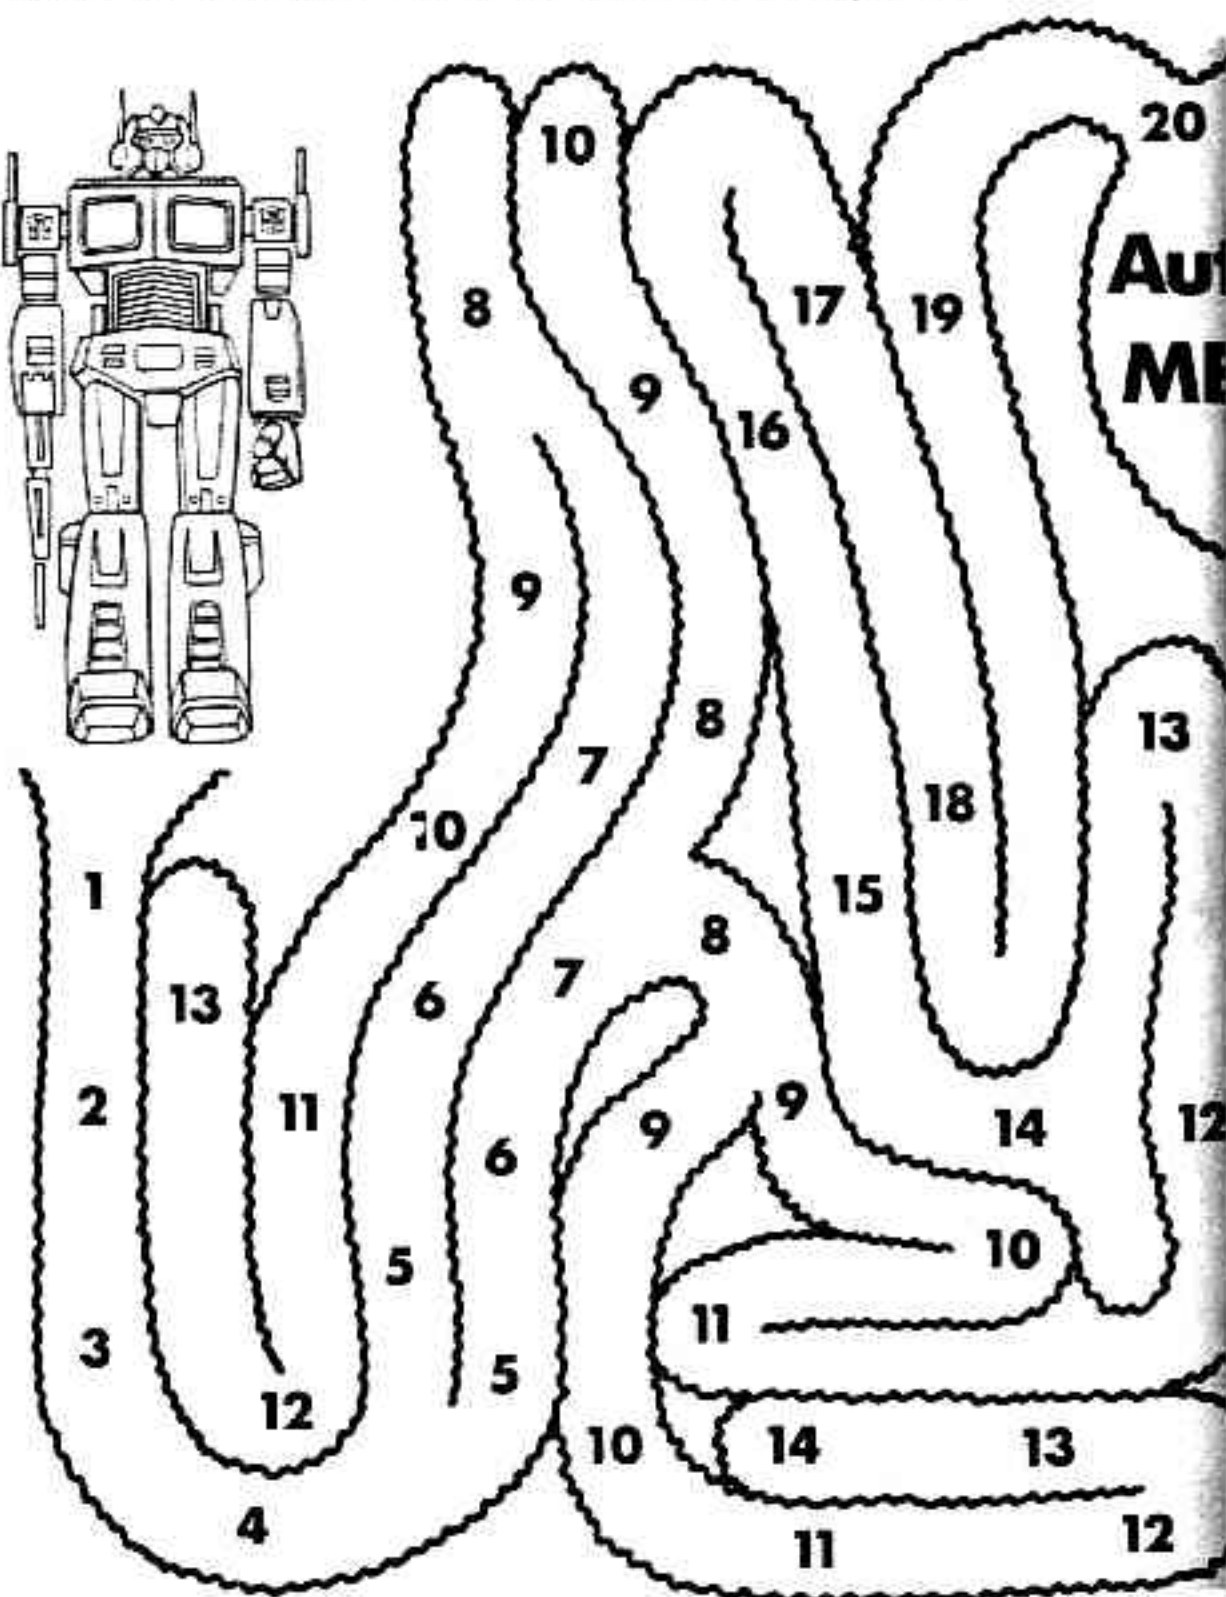

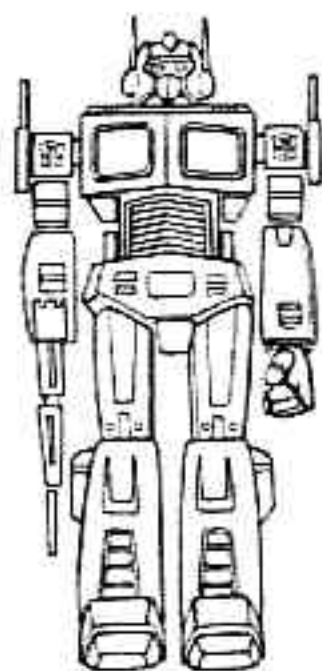

WHEELJACK'S WORD WORLD

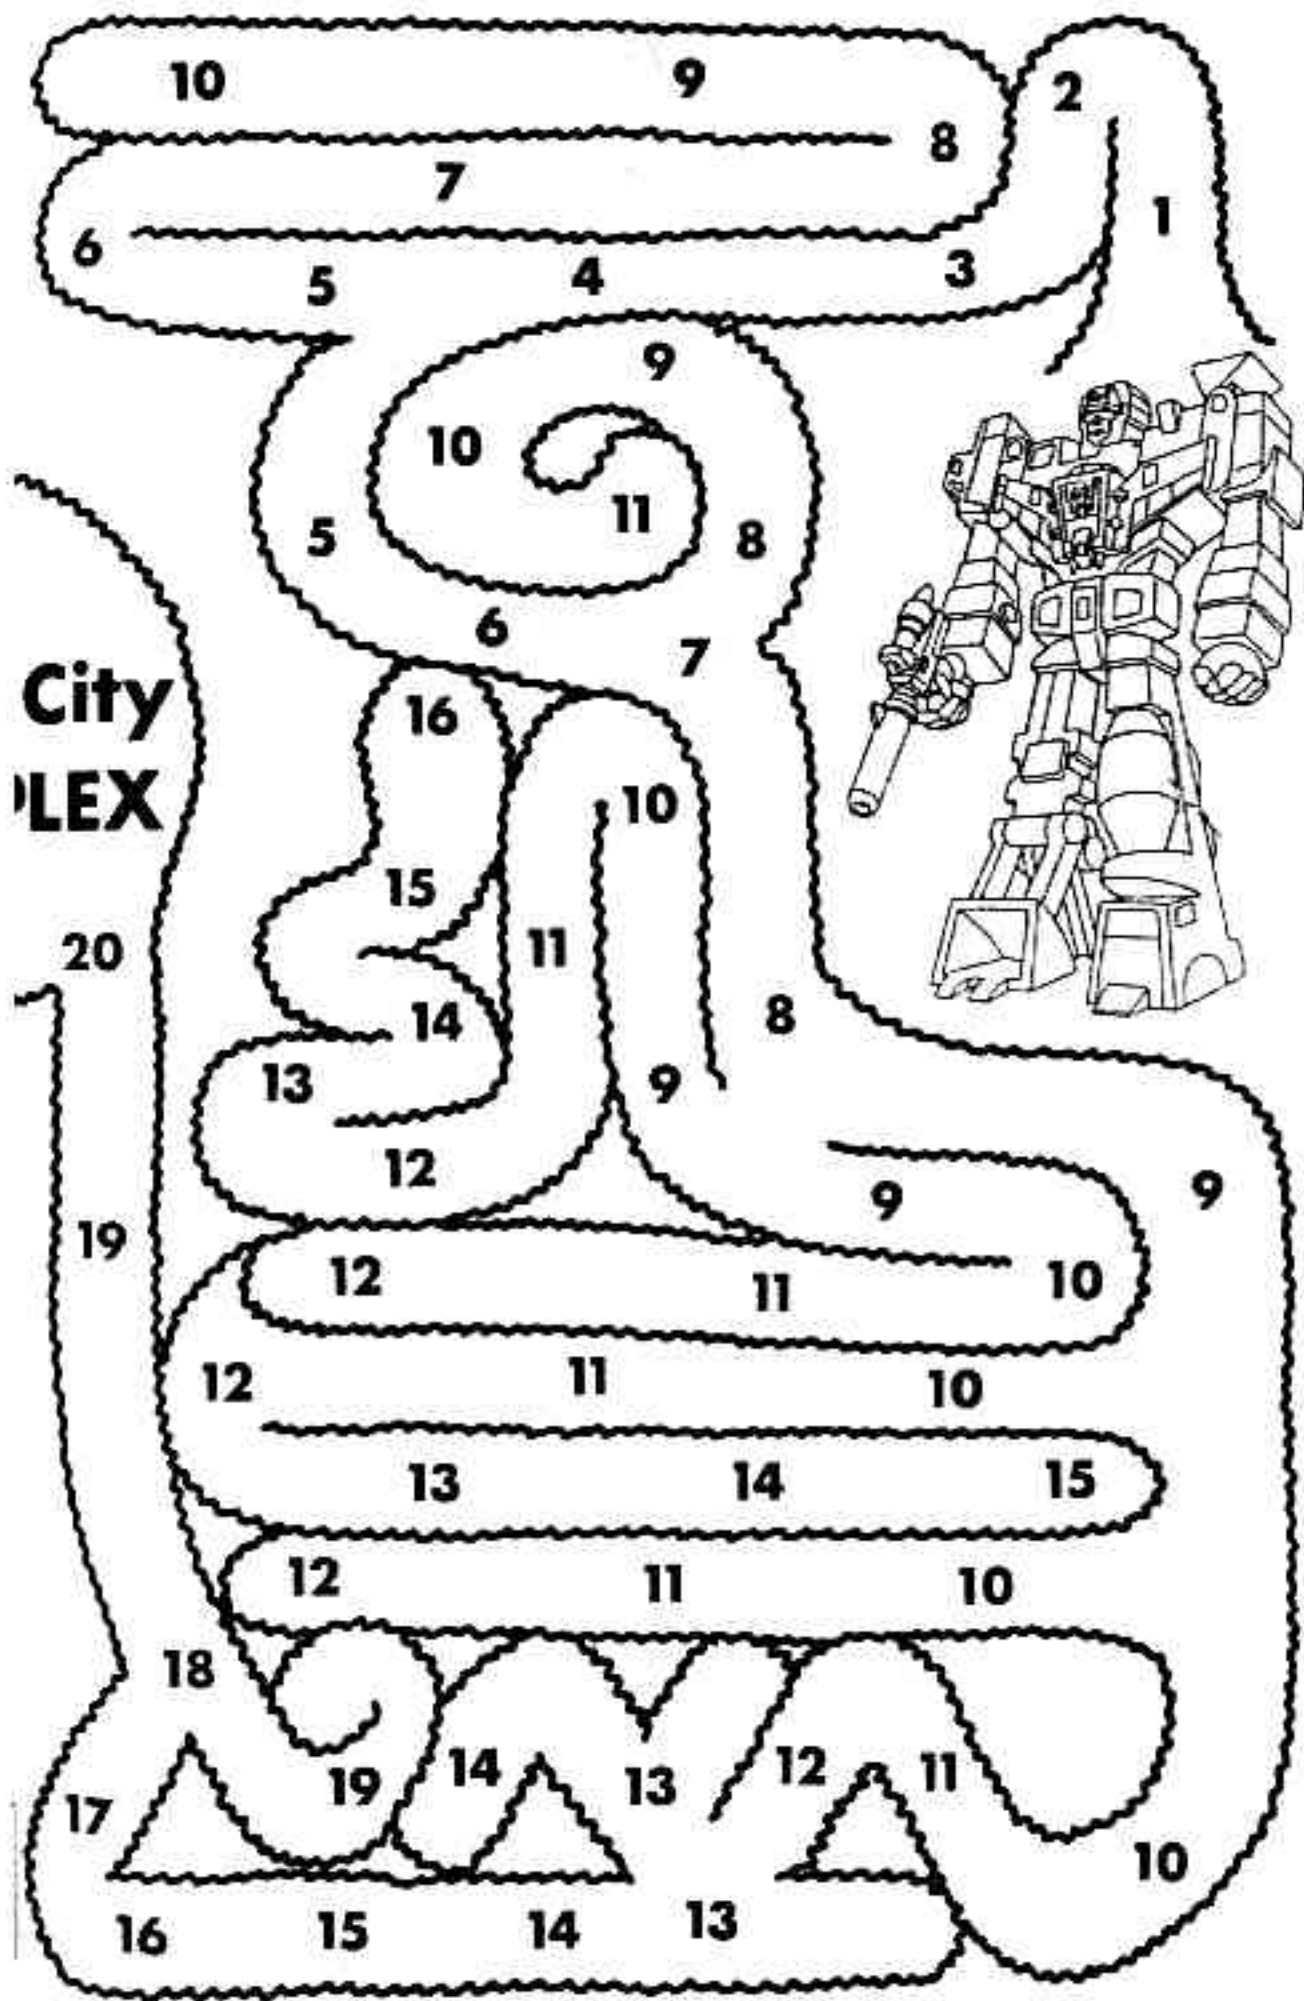

Wheeljack's name can be used to create a lot of different words. See how many you can make! A good score is 21 words.

NUMBERS RUN

Here is a game you can play with a friend. Optimus Prime must bring some much-needed supplies to the Autobot City Metroplex. Devastator is out to stop him! The only way both can reach the fortress is if they touch all the numbers from 1 to 20 in sequence.

CONSTRUCTICON WORD CONSTRUCTION

This character is made up of all the Constructicons! What's his name? Fill in the answers to the clues in the boxes below and you will find out by reading the boxes with the dark outline going down.

1. Decepticon who turns into a cassette player. He can hear the slightest sound.
2. Constructicon cement mixer.
3. Constructicon steam shovel.
4. Constructicon dump truck.
5. Constructicon plow.
6. He turns into a fusion cannon.
